**WHERE BUSINESS
MEETS PRODUCTIVITY**

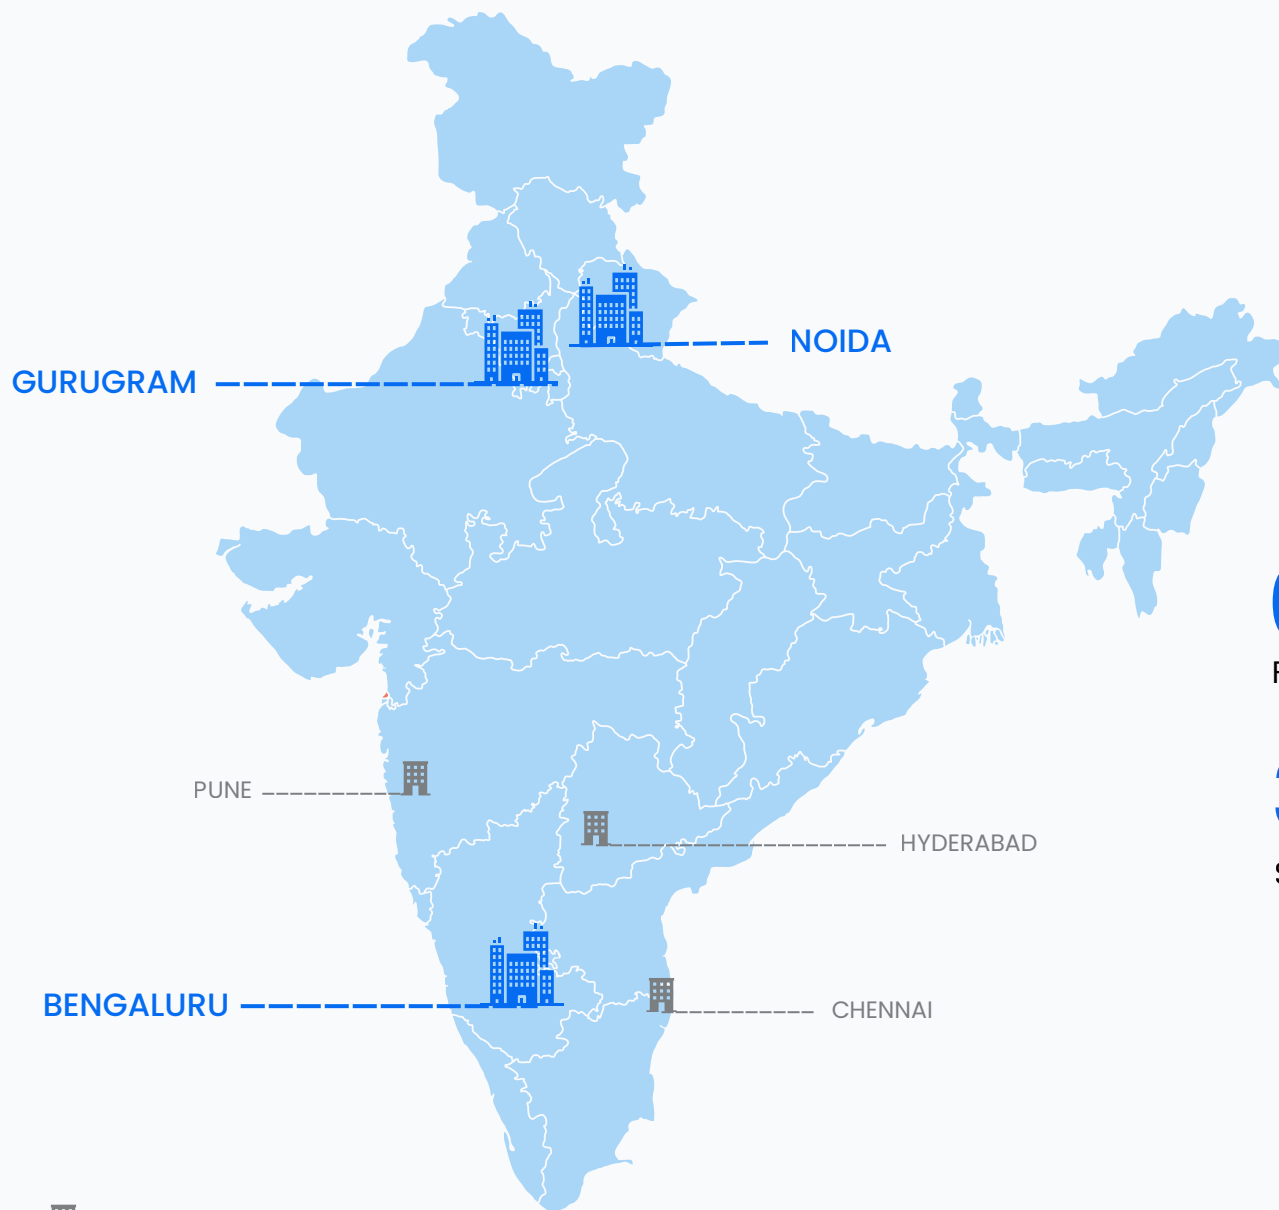

Premium, Smart, and Sustainable
Managed Workspaces Built for the
Enterprise of Tomorrow

About Us

Aurbis is redefining the future of work through technology-led, ESG-compliant managed office spaces designed for Fortune 500s, global capability centers (GCCs), and fast-scaling enterprises. Unlike traditional coworking providers, Aurbis delivers fully customizable, turnkey office solutions tailored to the unique operational, cultural, and security needs of each enterprise.

With a strong presence across Bengaluru, NCR, Pune, Hyderabad, and Chennai, Aurbis offers a portfolio of Grade A green-certified properties equipped with real-time energy tracking, indoor air quality monitoring, smart access control, and data-driven space optimization through its proprietary Aurbis Engage platform.
